Student Financial Services Office (SFS) assists applicants in making financial arrangements to attend Andrews University, identifying costs, and comparing them to available resources. Students who need help identifying financial assistance for which they may qualify should contact Student Financial Services. Many financial aid programs have limited funds and have time lines which require considerable lead time to process applications and to make awards. Therefore, students must apply for financial assistance well in advance of the time of need to assure proper consideration. Contact Student Financial Services by any one of the following methods:

Payment Plans

- A. Tuition Guarantee Plan**—Undergraduate Student Cash Plan. Pay in cash the full estimated charges for the undergraduate year (tuition, room, board, books, insurance and fees) on or before each fall semester registration. By taking advantage of this plan, tuition is “locked” at the same rate for the next three consecutive school years. The only financial aid available under this plan may be a Federal Plus Loan, Andrews Partnership Scholarship, and External Scholarships. The first year’s charges will be discounted 5% after out-of-pocket expenses; tuition for years 2, 3, and 4 will be discounted to equal the undiscounted rate of the first year.
- B. Cash Discount Plan. 5% Discount Plan.** Pay total yearly estimated charges (tuition, room, board, books, insurance and fees) on or before fall semester registration and receive a 5% discount on expenses not covered by financial aid.
2% Discount Plan. Pay total semester’s estimated charges (tuition, room, board, books, insurance and fees) on or before each semester’s registration and receive a 2% discount on expenses not covered by financial aid.
- C. Installment Plan.** Arrange to make installment payments toward estimated ‘out-of-pocket’ expenses for the semester. The installment plan requires several conditions to be met in order to participate.
 1. All previous account balances (including installment plan balances) must be paid in full.
 2. The plan is not to exceed more than 60% of the estimated ‘out-of-pocket’ expenses for the semester.
 3. Payments are to zero the account by the end of the semester to which the plan applies.
 4. Late payments will incur a late payment fee of \$25.
 5. A 1% monthly (12% per annum) interest charge will be added to the installment amount.

Post-Dated Checks are not accepted.

Prior Accounts. Students may register only when accounts with other schools have been paid.

The checks will be mailed to the address the student has written on the request form. Checks will only be issued from credit on the account when the check is requested. Students should monitor their credit balance carefully since funds from a future semester are not available until the funds are available to withdraw.

MASTER OF DIVINITY PROGRAM

The registration fee is due on or before each semester's registration. Any credits (over 16) are charged at the regular per-credit master's tuition rate.

Approved courses taken outside the seminary are charged at the established tuition rate. In some cases the student may request a 50% discount. A per-credit Recording Fee is charged by the university for Clinical Pastoral Education (CPE) credits earned in approved centers not connected with a graduate-level school. See the Seminary chaplain for further information about this program.

INTERNATIONAL STUDENTS

Advance Deposit. Applicants attending the main campus from outside the United States (except Canada and Mexico) must make an advance deposit of \$2,000. This deposit must be paid in cash. No university scholarships may be applied to pay the deposit.

Deposit Allocation. This deposit is not available to cover registration expenses; the deposit earns interest during the time the student is enrolled. The deposit plus interest is refunded when the student's enrollment is terminated; alternatively, it can be used as partial payment for the final semester of registration. International students do not get a discount on their deposit when the deposit is used to pay tuition costs.

Resource Verification. Bank documentation as well as other forms of financial documentation are required to prove ability to support one's educational expenses. This documentation must be sent to the university directly from the bank. Sponsors in the USA will be required to sign an affidavit of support. In addition, the applicant must demonstrate adequate financial support for the duration of the program for which (s)he is applying.

I-20 Form. Once the deposit and resource verification are received and accepted, the university authorizes the International Student Services Office to issue the I-20 Form for the purpose of securing a United States student visa.

Statement of Acknowledgement. The International Student Services Office provides an agreement called Statement of Acknowledgement by which the prospective student/sponsor commit themselves to maintaining a full study load at Andrews University and to abiding by the INS rules and regulations. This signed statement is required of the student, sponsor and parent or spouse (if applicable) and mailed with the application.

Payment Plan. For first-year undergraduate international students, the entire Andrews University Partnership Scholarship will be applied in the second semester. For all students, full payment of expected costs (tuition, room, board, insurance, books and fees) less any scholarships and loans is required 45 days in advance of each semester (Fall semester payment is due July 15).

After receiving the I-20 Form, it is often advantageous for the international student applicant to then make payment for the first semester's tuition and fees (the specific amount will be communicated to each student, and will be based on the student's area of study and living arrangements), and to use the receipt for that payment as part of the formal student visa application process in the home country.

Arrival to Andrews University Campus. All international students who enter the U.S. on an Andrews University I-20 Form are considered Andrews University students and are expected by law

to report immediately to the International Student Services Office in preparation to enroll for the upcoming academic semester. The international student has to study at Andrews University for at least one complete semester before he/she is eligible to transfer to any other school in the country.

General Conference Sponsorships. International students could also come to study in the United States of America on an Exchange Visitor (J-1) Visa. Andrews University enrolls such students when the General Conference takes the financial and legal responsibility in issuing the "DS2019" document. The General Conference is authorized by the Department of State to issue this document. Therefore, the General Conference is responsible for all the students who come on J-1 visa status.

TUITION ADJUSTMENT POLICIES

Tuition refunds are given to students who withdraw from school or drop individual courses during the academic semester. These tuition adjustments are based on the date when all the appropriate forms with all the required signatures are completed and filed with the Academic Records Office.

Fall and Spring Semester adjustments

100%	1 st –11 th calendar day
70%	12 th –18 th calendar day
40%	19 th –25 th calendar day

Summer Session adjustments

100%	1 st –3 rd calendar day
50%	4 th –10 th calendar day
0%	11 th –last day of term

Courses with Special Schedules. When courses are scheduled for irregular periods of time, adjustments are based on the ratio of the length of the course to the length of the academic period for that course.

Financial Assistance Adjustments. Federal and State regulations require the university to return a portion of any refund adjustment made affecting the program(s) involved when a student drops any classes or withdraws from school after receiving financial assistance under any Federal Title IV program (other than College Work-Study). Refer to p. 63 for Financial Aid Refund Policy.
