Satisfactory Academic Progress (SAP) Requirements

Graduate students must meet the Andrews University Satisfactory Academic Progress (SAP) policy. The following minimum standards must be met for Federal and State financial aid purposes.

Students must maintain the minimum Andrews University graduate overall GPA required for the degree program in which they are enrolled. The SAP summary on p. 71 indicates the minimum GPA required to meet the university's SAP policy for each type of degree program.

Degree	School	GPA	Max Below B-
PhD, EdD	Educ	3.30	3
PhD, ThD	Sem	3.00	3
DMin	Sem	3.00	no policy
DPT, DScPT	CAS	3.00	see <i>PT Student Handbook</i>
EdS	Ed	3.20	3
Master's	All	3.00	4
Professional Master's	Sem	2.50	no policy

Compliance with these requirements is monitored by Student Financial Services on a regular basis.

Probation. Students who fail to meet the required overall GPA are placed on probationary status during the following semester. During the probationary semester, the student is eligible to receive financial aid as awarded. The student is allowed only one probationary semester for each degree program, except under extenuating circumstances. Academic performance during the probationary semester determines the aid given in the following semesters. If the student raises his/her overall GPA to the minimum required, the student is returned to satisfactory progress status and is eligible to continue receiving aid as awarded. Students who fail to attain the minimum required GPA after the probationary semester are no longer eligible for Federal or State financial aid, except under extenuating circumstances.
