For international delivery in areas outside North America, the Master of Arts in Pastoral Ministry curriculum reflects indigenous needs. A minimum of credits is offered in courses specifically adapted to meet local conditions and culture. Adjustments may be made in admissions policy pertaining to the length of ministerial experience.

Admission Requirements

Admission to the MA in Pastoral Ministry is based on the following requirements in addition to the general admission requirements for all graduate students (pp. –) and the general Seminary admission requirements. MA in PASTORAL MINISTRY

Walt Williams, English Track Director
 Ricardo Norton, Hispanic Track Director
 Trevor O'Reggio, Non-NAD Track Director

The Master of Arts in Pastoral Ministry is for experienced pastors and recommended lay leaders whose ministerial functions make it impossible to engage in an extended study program at the Seminary. While admission to the program is similar for all groups of applicants, the curriculum reflects emphases for English or Hispanic ministry tracks (for details, see below).
