The synthesis/reflection paper may be done in outline form and not full sentences, but the flow of argument and main ideas, expressed mostly in the student's own words, should be evident to the reader. Give exact biblical references for major points made. Also, give reference to sources cited (chapter no. and page of textbook) for further (later) development of the points you are making. Be sure to give your own personal response to the basic question! You are encouraged to present material in a creative way. Students should allow approximately 20 hours (and write on average 10-15 double-spaced pages) for this Synthesis/Reflection. Due December 3, 2024. Submit on Learning Hub.
