CONTACT US

Main campus students:

First Day® Complete is a course materials fulfillment program that lowers the cost of course materials and ensures all main campus students have their required course materials on the first day of class.

Upon registering for classes, you will be automatically enrolled into the program. Once you've successfully selected your courses, the bookstore will start preparing your order.

Starting 30 days before the first day of classes, you will receive an email to verify your order and select your fulfillment preference. Please respond promptly to complete your order.

An email notification will be sent when your order is ready for pickup or when it ships.
